Road Notice.

This plan of the Robinson Show may be smart but it wont win. John Robinson and his show can not travel through Ohio and run his caravan, successfully by trying to shield violaters of the law and play smart tricks on officers attempting to do their duty in the enforcement of order. The trouble evidently is the show is in the hands of, or under the management of indiscreet men.

Old John Robinson has a name too well established to want it smirched by a gang of fellows traveling under his name violating law, and ignoring and insult.
